Melatonin B6 Spray Protocol

Eliminates internal parasites

• Parasite defense for travel
• Yeast control and natural antifungal
• Gastrointestinal support

Paraxites is a broad spectrum complex herbal formula designed to support the immune system and restore a healthy microflora balance.

Paraxites Herbal Gut Formula

Natural Parasite Cleanse

Paraxites is formulated with botanicals traditionally used in cases of infections (bacterial, fungal, microbial, parasitic), inflammatory conditions of the mucous membranes, and digestive disturbances (dyspepsia, lack of appetite, mild constipation).

Paraxites will naturally support your gastrointestinal tract and thereby support overall health and well-being. Paraxites is excellent as a preventative travel companion.

Recommended use: Goldenseal is traditionally used in herbal medicine to help alleviate infectious, inflammatory conditions of the digestive tract such as gastritis, as a bitter to aid digestion, and increase appetite, helps relieve digestive disturbances such as dyspepsia, and as a mild laxative. Burdock is traditionally used in herbal medicine as a diuretic.

Medicinal ingredients: Each capsule contains:
- Goldenseal (Hydrastis canadensis, root) ......................... 150 mg
- Berberine (berberine sulfate) ................................ 88 mg
- Citrus bioflavonoids (citrus paradisi-fruit) .................... 83 mg
- Black walnut (Juglans nigra, husk) ......................... 50 mg
- Burdock (Arctium lappa, root) ................................. 30 mg
- Olive leaf (Olea europaea, 15:1 DHE 450 mg, 18% Oleuropein, leaf) ........................................... 30 mg

Non-medicinal ingredients: Microcrystalline cellulose, hydroxypropyl methylcellulose.

Recommended dose (adults): Take 2 capsules 2 times per day or as directed by a health care practitioner.

Duration of use: For occasional use only. Beyond 14 days, consult a health care practitioner.

Known adverse reactions: Hypersensitivity/allergy is known to occur, in which case, discontinue use. Allergic reactions can occur in people allergic to plants of the Oleacea family. May cause gastrointestinal discomfort such as constipation, abdominal pain, vomiting or diarrhoea; in which case, discontinue use and consult a health care practitioner.

Contra-indications: Do not use if you are allergic to plants of the Asteraceae/Compositae/daisy family. Do not use if you are pregnant or breast feeding.

Caution/warnings: Consumption of Goldenseal with alcohol, other medications and/or natural health products with sedative properties is not recommended. If you are taking diuretics, consult a health care practitioner prior to use. If you are taking prescription medications, consult a health care practitioner prior to use as berberine and citrus bioflavonoids may alter their effectiveness. If you have gallstones, consult a health care practitioner prior to use. If you have heart disease, high or low blood pressure, kidney or liver disorder, diabetes or edema (swelling of hands, face and feet) do not use. Stop use and seek medical attention immediately if you experience dizziness, confusion, muscle weakness or pain, abnormal heart beat and/or difficulty breathing.
