Dosing based on EVNol SupraBio™ human clinical studies.

Neuroprotective
- Cognitive Function

Cardioprotective
- Improve blood lipid profile
- Lower cholesterol

Reduce joint pain & inflammation

Hepatoprotective

Hair Growth

Medicinal Ingredients:
- Each gelcap contains:
  - SuperbaBoost™ Krill oil (Euphausia superba) . . . . . . . . . . . . . . . . . . . . . . . . 250 mg
  - Omega-3 fatty acid/acides gras essential omega-3 . . . . . . . . . . . . . . . . . 75 mg
  - EPA (Eicosapentaenoic acid/acide Eicosapentanoïque) . . . . . . . . . . . 37.5 mg
  - DHA (Docosahexanoic acid/acide Docohexanoïque) . . . . . . . . . . . . . .22.5 mg
  - EVNol SupraBio™ Tocotrienol/Tocopherol complex/Complexe EVNol SupraBio™ Tocotrienol/Tocopherol (Elaeis guineensis, fruit)
  - Total d-mixed Tocotrienol/Total d-mélangé Tocotrienol . . . . . . . . . . . . . . . . . 50 mg
    - d-alpha-Tocotrienol . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 15.4 mg
    - d-beta-Tocotrienol . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 2.9 mg
    - d-gamma-Tocotrienol . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 23.0 mg
    - d-delta-Tocotrienol . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 8.7 mg
  - d-alpha Tocopherol (Vitamin E/Vitamine E) . . . . . . . . . . . . . . . . . . . . . . . . . 13.7 mg

Non-medicinal Ingredients:
- Gelatin, sorbitol, glycerin, purified water.

Recommended Dose (adults):
- Take 1 - 2 gelcaps per day or as directed by a health care practitioner.

Caution/Warnings:
- Consult a health care practitioner prior to use if pregnant or breastfeeding. Individuals allergic or hypersensitive to fish, crustaceans, mollusks and other seafood should not take this product. Discontinue if a reaction occurs.

NPN 80087358 • 60 gelcaps
NPN 80097296 • 120 gelcaps

Clinical Recommendations:
- **Cholesterol Management**
  - Maintain normal cholesterol levels - 2 caps daily.
  - Help reduce cholesterol levels - 4 caps daily for 1 month, then 2 caps daily.
  - Help reduce serum triglycerides/triacylglycerols (in conjunction with conventional statin therapy) - 400mg tocotrienols daily*

- **Heart Health**
  - Cardiovascular protection and maintains cardiovascular health - 50 to 200mg daily*. 
  - Improve blood circulation (arterial compliance & stiffness) - 50 to 200mg daily*.

- **Brain and Nerve Health**
  - Healthy cognitive function - 2 caps daily.
  - Neuroprotection, brain cell protection - 1 cap daily.
  - Reduce progression of white matter lesions – 400mg tocotrienols daily*.

- **Joint Health**
  - Improve joint flexibility - 2 caps daily.
  - Help reduce osteoarthritis pain - 2 caps daily.
  - Help reduce C-reactive protein levels - 2 caps daily.

- **Hair and Skin Health**
  - Promotes stimulation of hair growth - 2 caps daily.
  - Skin health, skin nutrition and anti-aging - 1 cap daily.

- **Liver Health**
  - Hepatoprotection (non-alcoholic fatty acid liver disease) – 2 caps daily.

102 - 3738 North Fraser Way, Burnaby, B.C. V5J 5G7   |   1-800-665-8308   |   biomedicine.com

TocoKrill is a functional blend of tocotrienols (natural vitamin E complex), Omega 3s (EPA, DHA, phospholipids, choline), and naturally occurring astaxanthin. With a patented self-emulsifying delivery system for enhanced absorption, the tocotrienols and Omega 3s rapidly absorb into the blood to provide powerful antioxidant and anti-inflammatory protection.

TocoKrill provides a diverse range of age-related health benefits due to increased cellular protection and repair from oxidative and free radical damage.

Tocotrienols have been scientifically proven to have higher cellular uptake than tocopherols, using the unsaturated double-bonded tocotrienol tail for more mobility and uniform distribution with the cell membrane.

Omega 3s from krill are phospholipid bound, providing more efficient absorption of DHA and EPA at a lower dose compared to fish oil.

**Tocotrienols go where they are needed the most!**

*TocoKrill’s tocotrienols accumulate in the brain, heart, liver and skin, with ENVol SupraBio™ having the human tissue distribution studies to prove it!*!

### TocoKrill Features:

- Therapeutic potency
- No fishy aftertaste
- Fat soluble antioxidant nutrient protection
- Sustainable, 100% traceable, and ethically sourced
- Clinically proven, scientifically substantiated
- Published human clinical studies:
  - 15 tocotrienol *ENVol SupraBio™* & 8 krill *SUPERBABoost™* studies
Clinically Proven Health Benefits:
Rigorously researched and strong scientific validation for proven safety and clinical efficacy on the tocotrienols from and the krill oil from .

**Brain Health, Neuroprotection and Healthy Cognitive Function**
- Enhance recovery of white matter lesions after TIA/stroke.
- Protect brain cells in brain-related injury.
- Stabilize/prevent cognitive decline, brain aging, and adult ADHD.
- Improve neuropathy side effects from chemotherapy.

**Cardiovascular Health**
- Lower and maintain cholesterol (lowers total LDL cholesterol and triglycerides, increase HDL).
- Reduce risk of platelet aggregation and blood clot formation.
- Reduce lipid peroxidation and adhesion (vascular inflammation).
- Reduce blood sugar.

**Joint Health**
- Improve joint flexibility.
- Reduce pain & arthritic and osteoarthritic symptoms.
- Reduce chronic inflammation and C-reactive protein.

**Hair Growth and Skin Health**
- Stimulate hair growth.
- Reduce scars and accelerate wound healing.
- Protect from UV damage, reduces fine wrinkles.

**Liver Health**
- Normalize non-alcoholic fatty liver disease (NAFLD).
- Hepatoprotective and improve liver function.

**Women’s Health**
- Reduce PMS symptoms and dysmenorrhea.

**Eye Health**
- Support in age-related macular degeneration & diabetic retinopathy.
